

SlabMat is available in a variety of widths based on common slab roller sizes. You can also easily customize the shape you need in your studio by using a utility knife and straight edge.

To extend the life of your SlabMat, we recommend:

- Store your SlabMat flat
- Avoid excessive heat
- Avoid sunlight

SLAB  
MAT™  
BY  STONELEAF pottery

SlabMat  
is the smooth  
alternative  
to canvas

This easy-to-use and portable mat may be used in a slab roller or directly on a table top.
